## **MAKE A LIFETIME COMMITMENT TO INDIANA'S FISH AND WILDLIFE RESOURCES**

Lifetime license holders are an elite group of sportsmen and women who have made a commitment to Indiana's natural resources. This commitment benefits both the resource and the hunters, trappers and anglers of the state. The benefits to the license holder are numerous:

- ✓ Ensures against license fee increases
- ✓ Never have to purchase another state license
- ✓ Never worry about getting the wrong license

Regardless of future residency, the lifetime license will always be honored in Indiana. Plus, by purchasing the lifetime license, you have accepted the lifetime responsibility of passing on the traditions and heritage of the outdoors.

All proceeds from the license sales go into a trust fund. Interest from the fund is used to benefit the resource by:

- ✓ Buying land
- ✓ Managing habitat
- ✓ Stocking fish

Lifetime licenses are available to any Indiana resident living in the state and who has been a resident for 60 consecutive days. There are six different lifetime licenses to choose from:
